Provided further that Trading Member may require compulsory settlement / advance payment of expected settlement value, delivery of securities for settlement prior to acceptance / placement of order(s) as well. The client agrees that the losses, if any on account of such refusal or due to delay caused by such limits, shall be borne exclusively by the client alone.

The Trading Member may require reconfirmation of orders, which are larger than that specified by the Trading Member's risk management, and is also aware that the Trading Member has the discretion to reject the execution of such orders based on its risk perception.

### b) Setting up Client's Exposure Limits:

M/s. Millennium Stock Broking Private Limited (hereinafter referred to as "MSBPL") may give an exposure limit which would be a multiple (based on VAR) of the clear ledger balance in the account plus compulsory cash margin component (% to be decided by MSBPL time to time) plus value of the shares given as collaterals computed after applying appropriate haircut. In F & O segment exposure is given on the value of initial margin, after applying appropriate haircut on the securities given as collateral. The exposure limit may be changed based on the volatility in the market and quality of collaterals.

MSBPL may set different exposure limits varying for different clients depending on the credit worthiness, integrity and past conduct of the client. The client agrees that MSBPL shall not be responsible for such variation, reduction or imposition or the clients inability to route any order through MSBPL's trading system on account of any such variation, reduction or imposition of limits.

MSBPL at its sole discretion can give extra exposure or intraday limit to the client, such extra exposure will automatically be squared off by trading mechanism without any further reference to the client approx. 15 minutes before the scheduled closing.

### c) Applicable Brokerage Rate:

MSBPL follows the policy of charging brokerage not more than the maximum permissible brokerage as per the rules and regulation of the exchange/ SEBI. Brokerage shall be applied as per the rates agreed upon with the client in the KYC at the time of registration. The brokerage slab of a client shall be reviewed at intervals after assessment of the amount and quality of volume generated by the client as per his commitment. The rates may be increased with prospective effect with prior notice and sent to the E-mail address or postal address of the client registered with MSBPL. The brokerage amount debited to the client does not include any exchange related charges or statutory levies as applicable. Any other applicable charges & taxes (present & future) imposed by statutory authority or otherwise including securities transaction taxes, duties, GST and all incidental expenses etc will be paid by the client separately as may be levied on the transactions from time to time.

### d) Imposition of Penalty/Delayed Payment Charges by either party, specifying the rate and the period (This must not result in funding by the broker in contravention of the applicable laws)

Clients will be liable to pay late pay in/delayed payment charges not exceeding 2% per month for not making payment of their pay-in obligation / margin on time as per the exchange requirement or net ledger debit balance as applicable.

The client agrees that MSBPL may impose fines/penalties for any orders/trades/deals/actions of the client which are contrary to this agreement/rules/regulations/bye laws of the exchange or any other law for the time being in force, at such rates and in such form as it may deem fit. Further where MSBPL has to pay fine or bear any punishment from any authority in connection with/as a consequence of/ in relation to any of the orders/ trades/deals/actions of the client, the same shall be borne by the client.

**e) The right to sell clients' securities or close clients' positions, without giving notice to the client, on account of non-payment of client's dues (This shall be limited to the extent of settlement/margin obligation)**

MSBPL shall be entitled to liquidate client's securities including and not limited to unpaid securities, collateral and etc. towards margins or close out client's open position, without giving notice to the client for non-payment of margins or other amounts including the pay-in obligation, outstanding debts etc and adjust the proceeds of such liquidation/close out, if any, against the clients liabilities/obligations. Any surplus realised against the same shall be credited to client's account & any and all losses and financial charges on account of such liquidations/closing out shall be charges to and borne by the client.

In case the payment of the margin/security is made by the client through a bank instrument, MSBPL shall have absolute discretion to give the benefit/credit for the same only on the realization of clear proceeds in MSBPL bank account. Where the margin/security is made available by way of securities or any other property, MSBPL is empowered to decline its acceptance as margin/security and/or accept it at such reduced value as MSBPL may deem fit by applying haircuts or by valuing it by marking it to market. The stock broker has the sole discretion to decide referred stipulated margin percentage depending upon the market conditions.

In event of death or insolvency of the client, MSBPL may close out all outstanding positions of the client, adjusting the loss incurred on such closures with the margin deposited by the client and claim further shortfalls, if any, against the estate of the client. The successors or heirs of the client shall be entitled to any surpluses which may result there from.

The above action is at the sole discretion of MSBPL and may vary from client to client. It shall not be under any obligations to undertake the exercise compulsorily. MSBPL shall therefore not be under any obligation to compensate or provide reasons of any omission or delay on its part to sell client's securities or close open positions of the client.

- Where based on the happening of an event, MSBPL has a risk perception that further trading in the contracts/ securities may not be in the interest of the clients and /or the market.

The stock broker may refuse to execute / allow execution of orders due to but not limited to the reason of lack of margins / securities or the order being outside the limits set by stock broker / exchange / SEBI and any other reason which the stock broker may deem appropriate in the circumstances.

**h) Temporarily Suspending or Closing a Client's account at the clients request:**

MSBPL may carry out periodic review of the client accounts and may suspend the accounts from trading (i.e. prohibiting any market transactions, only allowing client shares/ledger balance settlement to take place) under any of the following circumstances and not limited to -
